

r-MicroTuff Swift

-MicroTuff Swift

Clean meets green.

As a worldwide leader in cleaning solutions, we want to provide more than just products which keep sites and surfaces hygienically clean. They should also contribute to a healthy planet as well. That is why we created a whole new series of products. All of them are sustainably crafted and marked with an .

Focused on efficient, hygienic and high-performance cleaning, we achieve the same excellent microfibre cleaning performance and durability now in combination with sustainability: Cleaning smarter and greener whilst adding highest value to your clients.
